

SANAS Research Award

The SANAS Research Award(s) will be made annually by open competition to support an overseas research visit, which may include a conference presentation, relevant to the field of North American Studies.

Eligibility: Applicants must be members of SANAS at the time of application. SANAS members of all ranks are eligible.

Value: The value of an award will be determined by the SANAS Board upon the advice of the Treasurer. Applicants are encouraged to apply for additional sources of funding. Priority will be given to requests for part-funding. The Board will determine the number of awards to be made in any given year, subject to available funds.

Deadline for applications: November 1.

Applications must include

- a statement of research (for research trips) or an abstract of the conference paper (for conference trips),
- a list of alternative sources of funding to which the applicant has also applied,
- a curriculum vitae,
- an approximate costing of the entire proposed conference or research visit, and
- the names and contact details of two referees.

Send your application to: Deborah.Madsen@unige.ch.

The winner(s) will be announced at the SANAS AGM in November.

All recipients of a SANAS Research Award must submit a report on their research or conference visit within six months of their return to Switzerland. These reports will be published in the SANAS Newsletter.
